**Application must include:** Subdivision Plat showing approximate limits of land disturbance and a Construction Best Management Practices Plan (CBMPP) for erosion and sediment control. The CBMPP can be drawn by owner, contractors, or engineer (unless notified otherwise). Best Management Practices (BMPs) implemented pursuant to the requirements should be in accordance with the Alabama Handbook for Erosion Control, Sediment Control, and Storm Water Management on Construction Sites and Urban Areas ([www.swcc.state.al.us](http://www.swcc.state.al.us)).

I certify, under penalty of law, that this document and all attachments were prepared under my direction or supervision and that I have personally examined, and am familiar with, the information in this document and such attachments. I believe the submitted information to be true, accurate, and complete. I am aware there are significant penalties for submitting false information, including the possibility of fine and civil penalty." I fully understand the provision of the City of Creola's Subdivision Regulations. I accept responsibility for implementing the CBMPP submitted to the City. I accept responsibility for carrying out adequate erosion and sediment control measures for the project as required by the City of Creola. I further grant the right of access onto this property, as described above, to the designated personnel of the City of Creola for the purpose of inspecting and monitoring for compliance with the aforesaid ordinances.
